

# **I Walk With God**

From the album *Beautiful Hope*  
By Charlie & Jill LeBlanc

I walk with God  
In the morning when I wake to seek His face  
And all throughout the day I feel His grace  
To lead me on my way, I walk with God

He is my peace  
I can feel His gentle Spirit speak to me  
Bringing me the confidence I need  
To take a stand against the enemy

I walk with God  
All throughout the day  
I walk with God  
He leads me in His way  
I walk with God, I walk with God

By night I see the glory of His awesome majesty  
That changed my heart and brings me to my knees  
His power I can't conceive, He's all I need
