

To See Your Glory

From the album *Beautiful Hope*
By Charlie & Jill LeBlanc

Chorus 1

Lord I want to see Your glory
To behold Your face
To look into Your eyes and to bask in Your embrace
Lord I want to see Your glory
And know You in Your ways
I'm looking for the day
That You come take me away and bring me home

Verse 1

I am in this world but this world is not my home
So I will keep my heart set on Your throne
I'll be faithful to the task You have laid out for me
But how my heart burns more each day to see

Verse 2

While I am in this world I will work with all my might
To show forth Your mercy and Your love
And when Heaven calls my name
Lord I long to hear You say
"Well done, faithful servant. Welcome home!"

Chorus 2

Lord I want to see Your glory
To behold Your face
To look into Your eyes and to bask in Your embrace
Lord I want to see Your glory
And know You in Your ways
I'm looking for the day that You come take me away
