

I've Been Delivered

From the album *A Legacy of Praise*
By Charlie & Jill LeBlanc

Jesus healed the blind man, let him see
Cast demons out of the man from Gaderene
He cleansed the lepers, too
And He made the lame brand new
He put hope back in a hopeless life
I testify to you

Chorus

I've been delivered, I've been delivered
You know the hold the Devil once had on me
He ain't got no more
I've been delivered, I've been delivered
I've been delivered by the hand of the Lord

Saved a man I know was close to death
Gave a little boy with asthma back his breath
But the best miracle you see
When from sin He sets you free
'Cause you know you've been set free you are free indeed

Chorus

Bridge

I've been delivered, I've been delivered
I've been delivered by the blood
I've been delivered by the crimson flood
I've been delivered by the cross
I've been delivered, I ain't lost
I've been delivered by the Man
I've been delivered by the hand of the Lord
