By Charlie & Jill LeBlanc

2 Cor 4:6, Ps 34:17, Job 11:7

*Verse 1:*

You are like a precious gem  
A gleaming jewel, shining bright  
Your radiance goes deep within  
Living Love, Lord of Light

*Verse 2:*

Faithful Savior, El Shaddai  
The One Who hears each prayer of mine  
And always touched by mercy's cry  
That's Who You are, El Shaddai

*Chorus 1:*

Each one of us adores You  
Each one of us pours out our hearts  
And You hear every song of love  
Sung to You from every heart

*Verse 3:*

We cannot fathom all Your ways  
As you listen to each word of praise  
And every song of love we raise  
touches You, I'm so amazed

*Chorus 1*

*Chorus 2*

Each one of us adores You  
Each one of us pours out our hearts  
And You hear every song of love  
That's how wonderful You are

*Bridge*

You hear each and every cry, You see every tear that falls  
And You hear every song of love and worship  
You hear each and every prayer from every single heart  
And every word of praise and worship  
You're so amazing
