

Not Gonna Bow Down

From the album *A Legacy of Praise*

By Charlie & Jill LeBlanc

Chorus

Not gonna bow down, not gonna bend my knee
There is only one God, He is all I need
Not gonna bow down, not gonna bend my knee
God is my deliverer, He will deliver me

Verse 1

Just like Shadrach, Meshach, Abednego
Once had a wicked King, you know
Who gave command that all should bow
To the man of gold, you'll make a vow
But the holy men of God said, "No, Jehovah God is the one we know"

Verse 2

Well, into the fiery flames they went
The king said, "Now those boys are spent"
He looked and saw the three of them
Standing there with the Son of Man
Then the king declared, "From this time on, Jehovah God will be our God"

Bridge

Just like the royal men of old
Stand for what's right
Be strong, be bold
