

Be Glorified

From the album *Beautiful Hope*
By Charlie & Jill LeBlanc

Verse 1

Help me Lord to be all that I'm supposed to be
Speak Your Word to me that I might share Your Word with others
Lead me Lord to say the things that You desire to say
For Your glory
That You may be glorified

Chorus

Be glorified
In my life Lord may You be so glorified
That all men might believe and see Your goodness, Lord
Your power and Your peace
Be glorified my Lord today in me

Verse 2

Teach me Lord today that I might come to know Your ways
Show me how to pray that I might be a help to others
Help me understand the mysteries in Your hand
For Your glory
That You may be glorified
