

I Believe

From the album *Live In Nashville*
By Charlie & Jill LeBlanc

Verse 1

I believe in the Blood of Jesus
I believe there's power in the Name
I believe that he died to free us
I believe that He rose from the grave

I believe He was born of a virgin
I believe He was a sacrificial Lamb
I believe He ascended to the Father
I believe that he's coming back again

Verse 2

I believe that God came to save us
I believe He was an ordinary man
I believe He left us with His Spirit
I believe He wants to fill every man

I believe His mercy every morning
I believe He's the ancient of days
I believe that His thoughts are always on us
I believe He's forever the same

Chorus

On this rock he will build His church
This church will not be made by hands
On this rock we will make a stand
The gates of hell will not prevail

Verse 3

I believe in the unity of brothers
I believe that we're different yet the same
I believe where two or more are gathered
He's in the midst taking away the shame

I believe if we say to this mountain
Be rooted up and cast into the sea
I believe if I pray without doubting
The lame will walk and the blind are gonna see
