

# You're My Love

From the album *Beautiful Hope*  
By Charlie & Jill LeBlanc

## *Chorus*

You're my love  
You're my joy  
And I'll praise You all of my life  
You're my love  
You're my joy  
And I'll praise You all of my life

## *Verse 1*

Because Your love is never ending  
And Your mercies never cease  
You make my life worth living  
And You fill me with Your precious peace

## *Verse 2*

Because Your love is deeper than the oceans  
And Your mercy reaches to the skies  
You are always faithful and You give meaning to my life
