

Crucified With Christ

From the album *Keep Pressing On (1985)*

By Charlie and Jill LeBlanc

Chorus

Well I've been crucified with Christ
It's no longer I that liveth
But Christ that liveth in me
Repeat

Verse 1

Well it was 1954 when my mother she did bore
A son that looked an awful lot like me
She said, "Son, you listen good. Don't let me be misunderstood.
You've got a long life to live and you better live it good."

So I tried real hard, you see, to be a man of honesty
I helped grandmas cross the street and I combed my hair
Well I did all that I could, except the one thing that I should
To forget my works and accept God's love and care

Verse 2

Well the thing I wanna say, I tried to live life my own way
Not knowing what the Lord had done for me
Well now I know He died, I've been saved and sanctified
I've got a home in Heaven waiting when I die

And the life that I now live, I live by faith in the Son of God
Who loved me and gave Himself for me
And His grace I don't deny
He made me righteous in His eyes
And if I'm saved by works then Christ died needlessly
