

Stirred Up

From the album *A Legacy of Praise*
By Charlie & Jill LeBlanc

Chorus

I'm stirred up and on fire
Set ablaze by His power
Marching on to higher ground
Lifting up a holy sound
Breaking chains and setting people free
I'm stirred up and on fire
Stirred up and on fire

It's time to rise up in this final day
For God has called us all to bear His name
This world needs to feel His mighty power
All across this land, come on, let's take a stand

Chorus

Revival is moving in the land
We're being lead by God's unchanging hand
Living in His goodness and His grace
Lift up your voice and give Him all the praise

Chorus

Bridge

It's just like fire shut in my bones
His love and power way down in my soul
It's just like fire shut in my bones
His love and power way down in my soul

Chorus
