

I Am With You

From the album *Living Worship*
By Charlie & Jill LeBlanc

Verse 1

Though the mountains be shaken and the hills fall away
Still My unfailing love will be with you today
And my covenant of peace will always remain
Says the Lord Who loves you

Chorus

No weapon formed against you will prosper
And any evil, spoken word will fall
With songs of deliverance I'll surround you
And terror won't come near, and you won't have to fear
I am with you

Verse 2

No harm will overtake you or come against your home
For I will send my angels to protect you in the storm
I will be with You in trouble, My word will keep you strong
Says the Lord Who loves you

Bridge

You'll always be with me, Your truth has set me free
Your word is my delight and my song in the night
No matter what I hear, Your love will cast out fear
Your word will be my song, forever I'll be strong

You'll always be with me, Your truth has set me free
Your word is my delight and my song in the night
No matter what I hear, Your love will cast out fear
Your word will be my song
