

God Has A Plan

From the album *Seeing By Faith*
By Charlie & Jill LeBlanc

Verse 1

My times are in His hands, so I'll keep my eyes on Jesus
I want to comprehend all the ways in which He sees us
For the Lord sees the end from the beginning of His plan
And as I keep my eyes on Him, He will help me understand

Chorus 1

God has a plan
Even when your heart and mind can't understand
He has a plan
He's mindful of my ways
To keep me all my days
I'm thankful that my times are in His hands

Verse 2

Trust in the Lord with all of your heart
Don't lean to your own wisdom
But looking unto Him and seeking first His kingdom
Then He will light your path and bring you peace
His will shall come to pass and you'll have a sweet release

Chorus 2

God has a plan
Even when your heart and mind can't understand
He has a plan
Faithful and true
To fulfill His plan in you
To show you that your times are in His hands

Bridge:

The Lord knows the plans that He has for you
He will prosper and protect you
He'll give you hope and He'll show you things to come
In the hollow of His hand you will see His plan

Chorus 1

Remember that your times are in His hands
