

Born Again

From the album *Seeing By Faith*
By Charlie & Jill LeBlanc

We are one with the Spirit of the Living God
Made complete through Christ our Lord
Being transformed by renewing of our minds
Called into grace in which we stand (repeat)

Chorus

Well, I've been born again by the Spirit and the Word
I'm loved by Him, so I love Him in return
I've been set free from all my doubts and fears
Set apart from pain and all it's tears

I've been brought into a kingdom
which cannot be shaken
With Jesus as my Lord and King
I'm boldly standing before my Father
Without a conscious thought of sin

I'm boldly standing before my Father
Without a conscious thought of sin
