

I Wanna Sing

From the album *Seeing By Faith*
By Charlie & Jill LeBlanc

Verse 1

I hear the voice of a million angels ,
Singing praise before God's throne
And I see king David dancing and leaping
It's such a glorious site to behold.
Some of our ways might seem silly
Some things we say might seem bold
But if you'll excuse me I'm just hungry
To see His mighty plan unfold

Chorus

I wanna sing like the angels sing
I wanna dance like King David danced
I wanna pray like my Jesus prayed
Teach me, Lord, Teach me Lord, Teach me Lord, I pray

Verse 2

There's so much more than we've been seeing
So much more that's been foretold
And I'm just hungry for His glory
To see His power more and more
To see Your power and Your glory
To see Your people bow and pray
It reminds me more and more of heaven
I'm gonna lift my voice and give You praise

Chorus
