

Tell Them

From the album *Seeing By Faith*
By Charlie & Jill LeBlanc

We've got to tell them, they have to know
The love of Jesus can make them whole
If we don't tell them how will they hear
The precious gospel, so simple and clear

People are hurting, lost in their fears
Desperately needing the peace that's so near
We must have mercy, we've got to care
With great compassion His love we must share

The victims of this lost generation
Are being taken prisoners of Satan
Let's give our lives to bring them salvation

The end is nearing, we have to go
Sharing the good news, saving their souls
If we don't tell them, how will they see
The love of Jesus will set them free
We've got to tell them, healing their pain
Reach out & touch them in Jesus' name
