

Listen To His Heart

From the albums *Seeing By Faith* (1999) and *Keep Pressing On* (1985)
By Charlie and Jill LeBlanc

Verse 1

Jesus came into a city
Was welcomed warm to Martha's house
But Martha ran and got real busy
Cooking food and cleaning house

But Martha's sister was the wiser
She sat and listened to His words
And got clear directions from the Master
Before she went to do His work

Chorus 1

There's only one thing that is needful
And Mary chose that good part
When Martha ran around and got real busy
Mary sat and heard His heart

Verse 2

Now Martha came upset to Jesus
She told Him just the way she felt
She said, "Lord, I've been working all this evening,
While Mary's sitting Lord, make her help"

Now Jesus turned and looked at Martha
With eyes of love and much concern
He said, "Martha come here and take a listen,
There's a lesson here that you must learn"

Verse 3

Now I know there are many pressures
That keep us working day and night
But don't forget seek first the Kingdom
Cause in your faith you'll win the fight

Chorus 2

There's only one thing that is needful
Won't you choose that good part
While others run around and get real busy
Just sit and listen to His heart
