

I Will Proclaim

From the album *Live In Nashville*

By Charlie & Jill LeBlanc

Chorus 1

I will proclaim Your name
To the dark demonic foes and watch them cower
As the church of Jesus Christ displays Your power
As we go forth in this final hour
I will proclaim
The power of Your name

Verse 1

Now is the time
For the church of God to shine
And shake off complacency
Look the enemy in the face
Rise up to take your place
And go set the captives free

Verse 2

Can you hear the call
Of the Spirit to us all
To lay down carnality
Let your candle burn bright
In the darkness of the night
And let His love shine for all to see

Bridge

O that we may work the works
Of Jesus on the earth
Bringing healing to the nations
And breaking every curse
The earth is groaning and waiting
For the sons of God to rise
And display the power of Jesus' name
To open blinded eyes
