

Show Your Love

From the album *Prayers & Praises* (1987)
By Charlie and Jill LeBlanc

Verse 1

People are so precious, You created every one
But so many are so insecure hiding behind bars

And every time I turn around I see someone who's beaten down
Struggling to keep their lives from crumbling to the ground

Chorus

Lord, help me to lift them
To show them they are loved
And give me words to say
Lifting them above

And Lord, help me to show them
The compassion that You have
And let them see Your mercy
Lord, teach me how to show Your love

Verse 2

The love You have for people, each one that You have made
Is too great to measure and much to great to save

So help us, Lord, to lay aside our selfishness and busy lives
So that we can let them know the peace that they can find

Chorus 2

Lord, help me to lift them
To show them they are loved
And give me words to say
Lifting them above

And Lord, help me to show them
The compassion that You have
And let them see Your mercy in me
Let them see Your mercy in me
Lord, teach me how to show Your love
Teach me how to show Your love
