

Redeemed

From the album *Redeeming Blood*
By Charlie & Jill LeBlanc

Verse 1

We've been brought near by the blood of Christ
The only perfect sacrifice
We once were far away but Jesus' blood has paid
The price to place us in the arms of God

Verse 2

No greater love has any man
Than to lay down His life for a friend
So through Jesus' precious blood, God reached out in love
That we would be His very own

Chorus

We are redeemed by His blood
A purchase so precious
Bought with a price that none can compare
Jesus' blood has washed away all our sin and shame
To bring us into fellowship with God

Verse 3

The Father's heart is reaching out in love
Pouring out His mercy from above
He longs to take you in
And call you His friend
And give you greater love than you have known

Bridge

Through love, the Lamb of God was slain
His passion was stronger than His pain
From the Father's love and through Jesus' blood
I am clean of every stain
