

All For Us

From the CD *Your Love Remains*

By Charlie & Jill LeBlanc

Inspired by Hebrews 12:1-4; Philippians 1:6

Verse 1

No one forced You to come
And suffer the shame of the cross
Yet You did it all for us, for us
You could have chosen not to go
You could've said "No"
You could have given in when You were tempted by sin

Chorus 1

But You came, You sacrificed and carried the shame
You did it all
All for joy, of making us Your very own
You did it all for us
All for us

Verse 2

We cannot fathom Your love
Your grace poured out like a flood
And You did it all for us, for us
So thankful for all You've done
You'll finish what You've begun
You didn't leave us to remain the prodigal son

Bridge

You came into this world of darkness
Full of love, to strip the harness
From our hearts and off our eyes
So we could welcome Your new life
You carried all our sin and shame
You took the fall, You took the blame
We will live to worship You forevermore

Chorus 2

But You came, You sacrificed & carried the shame
You did it all
All for joy, of making us Your very own
To live in Your eternal home
You did it all for us
All for us
